

INFORMATION TO DATA SUBJECT FOR USERS

This information to data subject concerns the data processing by means of the website available at the link <https://savethefuture.finance> and the derivatives nala.savethefuture.finance, gama.savethefuture.finance, eko.savethefuture.finance and webi.savethefuture.finance, powered by <https://mirailabs.it> and processed by Mirai Labs S.r.l. Società Benefit with headquarters in Via Carlo Ottavio Carnaggia 3, 20123 Milano, info@mirailabs.it, (hereinafter the “Data Controller”), in compliance with Regulation (EU) 2016/679 (hereinafter “GDPR”). Mirai Labs S.r.l. Società Benefit shall process personal data related to customers or users, whether interested or contracting parties, as defined by the current legislation on personal data (hereinafter “Personal Data”).

Identity and contact details of the data controller

The Data Controller is Mirai Labs S.r.l. Società Benefit.

Contact details of the Data Protection Officer

The Data Controller has not appointed a data protection officer.

Third Parties Data

If the user were to communicate personal data of third parties to the Data Controller, also for the performance of the contract, the user must not only inform the third party of such circumstance, but also provide him with this Information to Data Subject and make the present disclosure to third parties.

Purposes of the processing and legal basis

The Data Subject’s data shall be processed for the following purposes:

a) For contractual purposes and/or for purposes connected to the performance of pre-contractual measures adopted upon his or her specific request or anyhow connected to the performance of the order entered by the data subject as well as for the purpose of complying with legal obligations connected to the aforementioned purposes.

Modalities of expressing consent

Consent, whenever required, shall be given through the following means:

- By clicking on a specific flagbox.

Modalities of treatment and logic

- In connection with the personal data processed and retained for the purposes referred to in point a), number 4 of this information on data subject (contractual and pre-contractual purposes), the processing will be carried out by way of paper means, automated means and through the use of CRM management software that allows to effectively manage the fulfilment of the contractual obligations;

The source of personal data

Only the data provided by the data subject, in compliance with this information to data subject, will be processed and collected at the Data Controller’s headquarter or by the send of an email of yours to Mirai Labs S.r.l. Società Benefit.

No personal data from sources available to the public may be processed.

Recipients and categories of recipients of personal data

Recipients of the data subject’s personal data may be:

- Mirai Labs S.r.l. Società Benefit

Categories of data

The data subject's personal data will be processed as defined in GDPR.

Transfer of personal data

The Data Controller may intend to offer personal data to a third country or to an international organization. Such subjects may be:

- Subsidiary or parent companies.

The transfer of personal data to the aforementioned subjects, if based in a third country or international organization, is carried out according to a decision of suitability of the European Commission, which evaluates how the third country, the territory or one or more specific sectors in the third country or the international organization ensure an adequate level of protection of the data subject's rights. In the absence of such decision, the Data Controller – if deemed in any case appropriate – reserves himself the right to conclude specific separate agreements that oblige such subjects to adopt adequate security and also organizational measures, in order to offer appropriate guarantees related to the data subject's rights.

The data may be referred to the following countries: United States of America. In order to obtain a copy of such data or the place where they have been made available a request may be sent to the address set forth at the beginning of this document.

Personal data retention period

- The personal data processed and retained for the purposes referred to in point a), number 4 of this information to data subject (contractual purposes) are processed, in the case of a concluded contract, for a period of time not exceeding 10 years from the termination of the effects of the contract for a period not exceeding 10 years from the termination of the negotiations;

Monument

In relation to the personal data processed and retained for the purposes referred to in point a), number 4 of this information to data subject (contractual purposes) the communication of personal data is both a contractual obligation and a necessary requirement for the performance of the contract. The data subject has the right to provide personal data.

Other rights

The Data Controller shall also inform the data subject about the existence of his or her following rights:

- Right of access by the data subject: the data subject shall have the right to obtain from the Data Controller confirmation as to whether or not personal data concerning him or her are being processed, and, where that is the case, access to the personal data and other specific information, pursuant to article 15 of the GDPR;
- Right to rectification: the data subject shall have the right to obtain from the Data Controller without undue delay the rectification of inaccurate personal data concerning him or her. Taking into account the purposes of the processing, the data subject shall have the right to have incomplete personal data completed, including by means of providing a supplementary statement, pursuant to article 16 of the GDPR;
- Right to data deletion, including the right to withdraw consensus: the person in question has the right to have his/her personal data deleted by the Holder without undue delay and the Holder is obliged to delete this personal data without undue delay, or to withdraw

consensus, if the reasons defined in art. 17 of the GDPR are present. As far as the right to withdrawal is concerned, the person in question also has the right to withdraw consensus at any time without compromising the legitimacy of the handling based on the consensus presented prior to withdrawal;

- Right of data handling limitation: the data subject shall have the right to obtain from the Data Controller restriction of processing where the grounds set out in article 18 of the GDPR apply;

- Right to data portability: the data subject shall have the right to receive the personal data concerning him or her, which he or she has provided to the Data controller, in a structured, commonly used and machine-readable format and have the right to omit those data to another data controller without hindrance from the Data Controller to which the personal data have been provided under the conditions set out in article 20 of the GDPR;

- Right to oppose to commercial communications: the data subject has the right to object, at any time, free of charges, on receipt of commercial communications.

Rights exercise

The request to exercise the rights outlined in this information to data subject must be addressed directly to the Data Controller at the email address info@mirailabs.it. Alternatively, such rights may be exercised by sending a letter to such effect by registered post with acknowledgement of receipt to the address stated at the top of this information to data subject.

Accessibility to information to data subject

The information to data subject is made available at the following address <https://savethefuture.finance/privacy.html>, as well as at the Data Controller's headquarter. If expressly requested by the data subject, the information may also be orally provided, provided that identity of the data subject is proven, by means of a telephone call.

Child

The Services offered by the Data Controller are not intended to be used by child (minor of 14 years old), therefore, no personal data regarding those subjects shall be intentionally collected. In case of unintentional collection of those data, the Data Controller will promptly delete them at the holder of parental authority request.

Amendments

The Data Controller may make changes to this information to data subject, also in order to incorporate changes in national and/or EU legislation, to adapt to technological innovations or for other reasons. Any new version of this information to data subject will be made available on Mirai Labs S.r.l. Società Benefit. The data subject is therefore invited to periodically check the Information to data subject. Any substantial modification (processing purposes and/or personal data categories), will be communicated by Data Controller to data subject, demanding, if necessary, the related consent.
